The Galaxies, oh Alma Mater,  
 Shine in splendor down on thee.  
 With love, we bow our heads in honor,  
 Faithfulness and loyalty.  
 Hold the shield of valor higher.  
 Proud the royal colors fly  
 In glory to the Alma Mater,  
 Dwelling of the brave and bold!  
 Glory to the Spartan Heroes!  
 Glory to the green and gold!

Got a letter from  
 you although I'm  
 still so new in

 doing great. I really  
 love you. Always you

Each person is an individual. He is ever present. He works with fellow students in the classroom, in club activities, and on athletic teams. As a member of the whole, the individual helps create a spirit and an enthusiasm which might never have come had it not been for him. His ideas are as vital to the group as their ideas are to him. The individual's thoughts and actions serve as able complements to the ideas and behavior of the crowd. The individual and his friends are like snowflakes—each different, but without the others, nothing. Yet, the individual is not bound by conformity to society's standards. He is a person who is not afraid to express his opinion and risk unpopularity. He stands by his judgment and moral code. He knows that in accomplishing everyday tasks he draws nearer to an appreciation of life's realities. He must choose the most challenging way before he reaps the high rewards of tomorrow. Aided by the concern and support of his friends and caught in the momentum of his own continual efforts, he can attain his highest purpose. He is a searching, vital being who looks to his friends for advice, to his teachers and counselors for guidance, and to his own self for the determination to reach the primary goal of his existence. He is, in every phase of his life—aware.

Jean,  
 Is a catgirl in my biology  
 class, I hope you like her

## GRADUATES

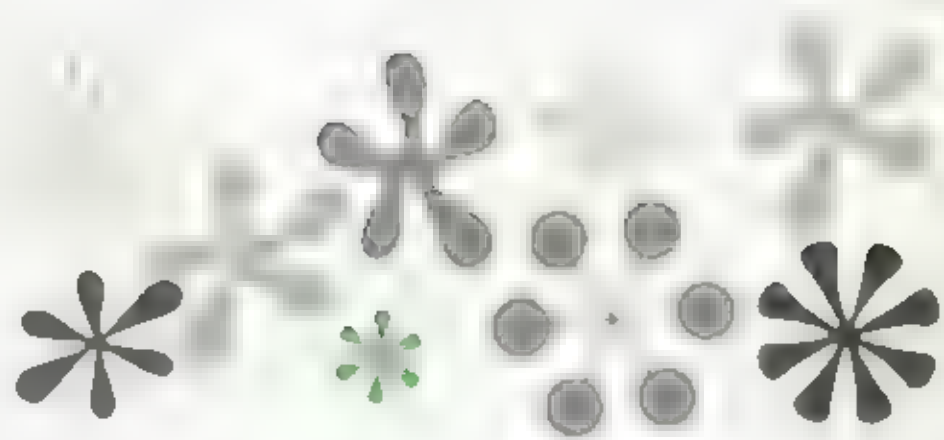

## SENIORS, THE GREAT INDIVIDUALISTS

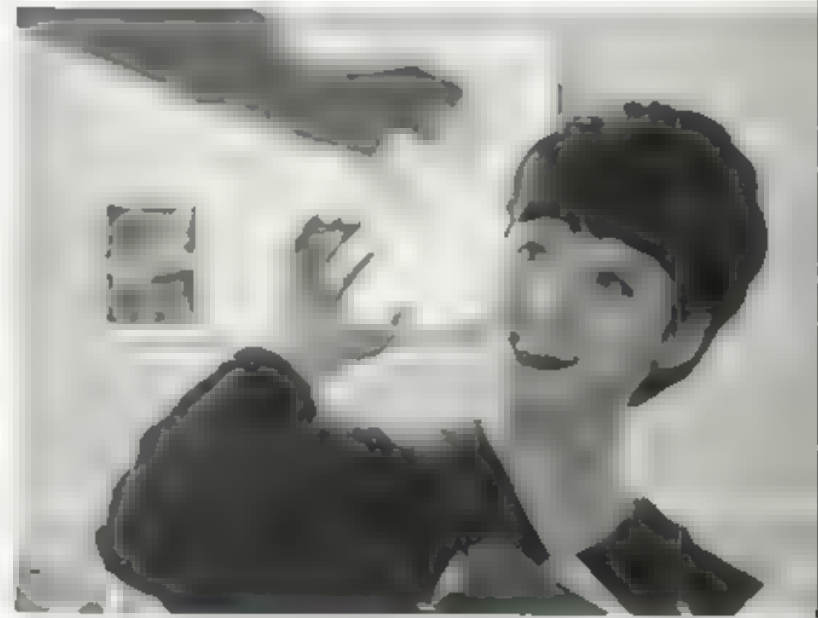

Four years are a small part of a lifetime yet, the memories are everlasting. The '66 graduate will always remember classrooms, frustrations, exams, lunchtimes, car washes, athletic competitions, homecomings, queens and proms. These and other memories will go with him everywhere—they have become a part of his life. He is reluctant to let go of his high school days, but he sees before him the challenge of tomorrow. His future may hold many things—college, a job or perhaps a life of his own. After graduation he will be seeking achievement of his highest goals. When it has been reached, he will have time again, to look back upon four special years' memories, and start

## CREED FOR YOUNG AMERICANS

I do not choose to be a common man. It is my right to be uncommon. I seek opportunity to develop whatever talents God gave me. I do not wish to be a kept citizen, humbled and dulled by having the state look after me. I want to take the calculated risk, to dream and to build, to fail and to succeed. I prefer the challenge of life to the guaranteed existence, the thrill of fulfillment to the stale calm of Utopia. I will never cower before any earthly master nor bend to any threat. It is my heritage to stand erect, proud and unafraid. to think and act for myself, enjoy the benefit of my creations and to face the world boldly and say, "This, with God's help, I have done." All this is what it means to be an American

## EDUCATORS— TEACHERS, ADULTS, FRIENDS

The administrative staff works closely with the faculty to promote scholastic achievement and school spirit among the student body. They always have time to discuss problems of the school or of the individual student. The administrations' varied backgrounds provide a basis for the understanding of all situations. It enables them to talk to and work with each student to help him solve his academic problems. The counselors not only advise students on school work, but they also help seniors choose their college or career. The faculty participate in school events and activities. They are concerned with student loyalty, spirit, and development. Among their main responsibilities are passing on their knowledge to students, helping to build better character in students through their example, and helping students to learn self-discipline.

## STUDENT COUNCIL

Since its organization in 1962, the Student Council of Start High School has held as its main objectives: to make students a part of a working democracy, to promote the best student-faculty relationships, to promote better school spirit; and to further unification of the student body. The annual events sponsored by Student Council, elections and the Freshman Mixer, were only part of the group's activities. Highlighting the year were "An Evening with Dave Browning," the Homecoming dance, "Autumn on the Wind," and the Valentine dance, "Cupid's Capers." Student Council sponsors the elections for the Valentine dance, elections for Homecoming and it is responsible for choosing a girl to represent Start at the Area Student Council dance. In February, Student Council held a book fair. It also participated in the March of Dimes drive and the Easter Lily drive. Mr. Conley is advisor.

# THE GALAXY

The Galaxy has provided the Start student body with as complete coverage of school news as possible since its formation in September, 1962. Under the direction of Mrs. Barbara Willinger, the Galaxy staff published a paper to be distributed bi-weekly. They gathered information in various ways, one of which was the green "In Orbit" boxes where students deposited interesting bits of news. The Galaxy has the dual purpose of producing a quality student publication and of affording a learning experience for the students on the staff. The staff consists of fourteen seniors and nine juniors. The "Letters to the Editor" column gave Start students a chance to voice their opinions, and the editorials gave the newspaper staff an opportunity to express their ideas.

# PERICLEAN LITERARY SOCIETY

The Periclean Literary Society strives to develop leadership and individual talents among its members and to increase literary interests. Throughout the year, "Friendship through Knowledge" has been the plan for bettering the relationship of the club members. Peris attended a play at Toledo University and carried out various other projects at their meetings. They made spirit tags for the Woodward football and Bowsher basketball games, and decorated the basketball players' lockers with cartoon characters before the Bowsher game. At Christmas, Peris decorated a window in the cafeteria with a wreath and holiday greetings. They also welcomed former members with an alumnae tea during Christmas vacation. The girls proved their athletic prowess in powder-puff football and basketball games against their brother club, the Forum Literary Society. A highlight of the social events of the year was their Treasure Hunt Turnabout. The hunt sent Peris and their dates trekking over West Toledo solving clues to the location of the party afterwards.

## ZETALETHEAN LITERARY SOCIETY

Promoting literary interest among its members, and presenting a varied calendar of activities, the Zetalethean Literary Society was ranked among Start's more active clubs. Under the leadership of advisors, Mrs. Martha Holland and Mrs. Jacqueline Krupp, the members sold mums for Homecoming, made Halloween tray favors for the children's ward at Toledo Hospital and held a candied apple sale for a money-making project. Members viewed Shakespeare's "Othello" and supported the Sejuna production "Outward Bound." Upholding the traditions started in 1903 when the club was first organized at the old Central High School, Zets maintained their literary interests by attending dramatic productions at the University of Toledo. Miss Loretta Pickard presented President Connie Scherer with a pin which will by tradition pass to each president.

# AMOROSA

The Amorosa Social Service Club was formed by twenty three senior citizens in May 1964. The girls strive to help society by providing services to the school and to the community. To raise funds for charity the girls held a book sale in the autumn and a money-making project later in the year. Projects were given a part to CARE for Christmas cheer and for the less fortunate members of Amorosa planned and presented a theatrical program at an assembly during the holiday season. Another project was a program during Easter. All activities of the year were guided by Mrs. Maudie Sorenson.

## FISHING CLUB

The Fishing Club was formed in November, 1965 under advisor Mr. Donald Simon. The club hopes to provide a forum for the propagation and discussion of the techniques and philosophy of fishing and to promote school spirit. The main project of the year was a basketball dribble to Bowsher which took three hours and received recognition in local news media. Members of the Fishing Club made a holiday wreath, and were supporters of pep rallies and athletic events.

## DONATA

A primary concern of the Donata Service Club is the promotion and encouragement of student community relationships. It was formed to help the school and the community by raising money for charity and sponsoring service projects. The members held a bake sale and a car wash in the spring as money-making projects. The girls also brought orphans to football and basketball games during the year. The faculty advisor is Mr. J. David Row.

## F.B.L.A.

Outstanding chapter in the state was the title received by the Start Future Business Leaders of America Club at the 1966 Ohio F.B.L.A. Convention held at the Commodore Perry Hotel. Start, co-host of the convention activities, captured six firsts in the ten award categories. Janet Wolff won the title of Miss F.B.L.A. and Mel Thomas placed second in the Mr. F.B.L.A. competition. The spelling award was won by Linda Stewart. Margaret Hollingdale and Gayle Stanley prepared the award-winning scrapbook and exhibit. Start's other first was in the parliamentary procedure competition. Delegates from forty-three Ohio F.B.L.A. chapters attended the weekend convention and competed for the honors. Other activities of the year have been planned to develop leadership and create more interest in business occupations. Members added to their treasury with the sale of rock candy. Mr. Lawrence Good is advisor to the club.

## FUTURE HOMEMAKERS

With Miss Mildred Russell and Mrs. Susan Wilson, the members of the Future Homemakers of America attended a style show at a local department store. One of the members modeled a dress of her own creation. One project with the dual purpose of making money and promoting fellowship among members was the baking and selling of fruit cake at Christmas time. During the meetings, girls discussed fashions, good grooming, latest cooking techniques, and ways to better members' home lives. The main objective of this newly formed club is to enrich girls in the knowledge of homemaking.

Members of Future Teachers of America are given the opportunity to participate and substitute in the classroom to help them decide if they are suited for teaching careers. Seniors substitute for absent teachers until a replacement is found. Many of the members, accompanied by their advisors, Miss Loretta Pickard and Miss Joanne Mittendorf, attended the Future Teachers Convention in Columbus and the Northwest Ohio Workshop at the University of Toledo.

## GERMAN CLUB

In October, 1965, Das Deutsche Verein was formed under advisor Mr. Jevgenij Cernonok. During the November elections, the members distributed literature for the Hospital Bond issue. Club meetings are conducted in German so that members might practice their classroom lessons. One of the purposes of the club is to further the student's understanding of the German language and to appreciate the German heritage.

## INTERNATIONAL CLUB

The International Club was organized during the summer months of 1965 to help orient the American Field Service exchange student with school life. Another purpose of the club is to contribute to the fund for bringing foreign students to Start. During their trip across the country, A.F.S. students from all over the nation stayed in members' homes. This year, the club supported Start's exchange student Brenda Perez of Quito, Ecuador. One of the club's projects to better the relationships between foreign and American students was a tea for all A.F.S. students and sponsors in Toledo and area high schools. In conjunction with Start's adult A.F.S. chapter, the International Club held a spaghetti dinner before the Bowsher basketball game. They also sponsored the showing of two movies, "Bon Voyage" and "Geisha Boy." Other money-making projects included a car wash and a candied apple sale. Mrs. Carmen Smith is the advisor.

## SCIENCE CLUB

Advancement in the interest of science within the community is the main objective of Start's Science Club. Formed in the fall of 1962, the club is under the advisorship of Mr. Flute Rice and Mr. Raymond Squire. The club's activities included tours of Cranbrook Museum of Science, the Libbey-Owens-Ford Glass Company, and the WSPD T.V. Station. They also sponsored a "Science Evening" in which many local scientists presented new concepts in the ever-changing scientific world. Members participated in the Science Fair, with top awards going to Jay Younist, Jerry McLouth, and Bill Dailey.

## INSTRUMENTAL MUSIC

The Instrumental Music Department, under the direction of Mr. Bruce Jacobson, has performed at various school functions and activities. In late March, they served as the pit band for Shenanigans. During the basketball and football seasons, the band performed half-time shows. The two groups band and orchestra, gave concerts throughout the year. The orchestra concert in December contained many seasonal numbers, such as the Christmas Song, Christmas Fugue, and Sleigh Ride. Other selections were the song from Moulin Rouge and the theme from Lawrence of Arabia. After the concert a square dance in which parents, students, and faculty participated was held in the gym. The band performed a winter concert in February. Selections from the concert were The Great Race March, Begin the Beguine, Colonel Bogey March, and highlights from Milk and Honey. A joint band and orchestra concert was presented in May. A highlight of the year was the annual spring ice cream social held by the two groups.

## PEP CLUB

The main objective of the Pep Club is to provide spirit along the members of the student body. Throughout the year, the girls worked to encourage good sportsmanship in all school activities. To show their support of the other teams, members painted signs and wore sweaters in the gym before the games. At a pep assembly, the Pep Club presented a skit in which the girls dressed up as the Star and Bowsher basketball players. As a money-making project, the club sold Spartan pennants. Miss Jean Bingham is the advisor of the club.

## BASEBALLERS CAPTURE CITY LEAGUE CHAMPIONSHIP

Under the coaching of Mr. Ned Headman, the 1965 Spartan Baseball Team captured Start's First City League Championship and went on to win the Northwest Class Sectional Tournament Championship. In elevated city play, the Spartans' record was marred only by a 4-3 loss to Fremont Ross in the District Tournament. The team was led by the fine ball playing of All-City choices Bob Bellar, Rick Dunlap, and Mike Smith, but the decisive factor of the winning season was the team's determination to bring home Start's first trophy.

The most valuable player award went to hard throwing

pitcher Rick Dunlap. His 9-1 record gave him his 1st All-City position and a berth on the All-Star State Team. Bob Bellar, Start's home-run hitting first baseman, showed his All-City form with a 400 ft. homerun in the District Tournament. Mike Smith, named for a second year to the All-City team, led the Spartans with a .614 batting average.

Eleven seniors will not be returning for the 1966 season, but Coach Headman expects fine performances from pitchers Jim Wyatt and Bill Douthett, catcher Bob Haugle, and the other members of the defending city championship team.

## SPARTANS TIE TO FIFTH PLACE FINISH IN CITY

Ty White—All-City Defensive Tackle

This year's Spartan football team, led by coach Sam Epstein, finished with a record good enough to give Start a fifth place position in the city league. Watching the Spartan defense was found to be the most exciting aspect of the 1965 football season. The Spartans held their opposition to an average of 6.6 pts. per game, which was tops in the city.

The season's highlights were found in Start's victories over Libbey, Woodward, and Rogers. The Spartans also chalked up three ties in games with Bowsher, Central, and Waite. Ty White, Chuck Shapiro, Mel DeMars, Fred Marshall, Tom Fletz, Bill Baker, John Heinrich, and Steve Edwards were named Players of the Week.

Spartans Steve Edwards and Ty White landed first team berths on the all-city squad. Edwards earned the offensive center position and White, an offensive tackle position. Fred Marshall, Bill Baker, and John Heinrich earned positions on the second and third all city football teams. Mel DeMars won the team's Scholastic Award and Bill Baker won the team's Coach's Award. Ty White was selected Most Valuable Player of the season. The 1966 season looks promising because of the number of returning juniors and sophomores.

## THROUGHOUT SEASON

The injury laden Spartan basketball team, under Coach Mr. Jerry Bushong, finished the season with a record of 18 wins and 12 losses, proving themselves as a competitive team. The team's success was highlighted by victories over the Fighting Irish of Central High School and the Pawshar Rebels of the city. The Spartan five were a key factor in the team's success, leading the city in scoring with an 18-point margin. Despite the injuries, the team's spirit and teamwork were evident throughout the season. Looking forward to an improved '67 season in his second year as head coach, Coach Bushong is confident in the team's potential.

## INDIVIDUALS LEARN TO BE THEMSELVES

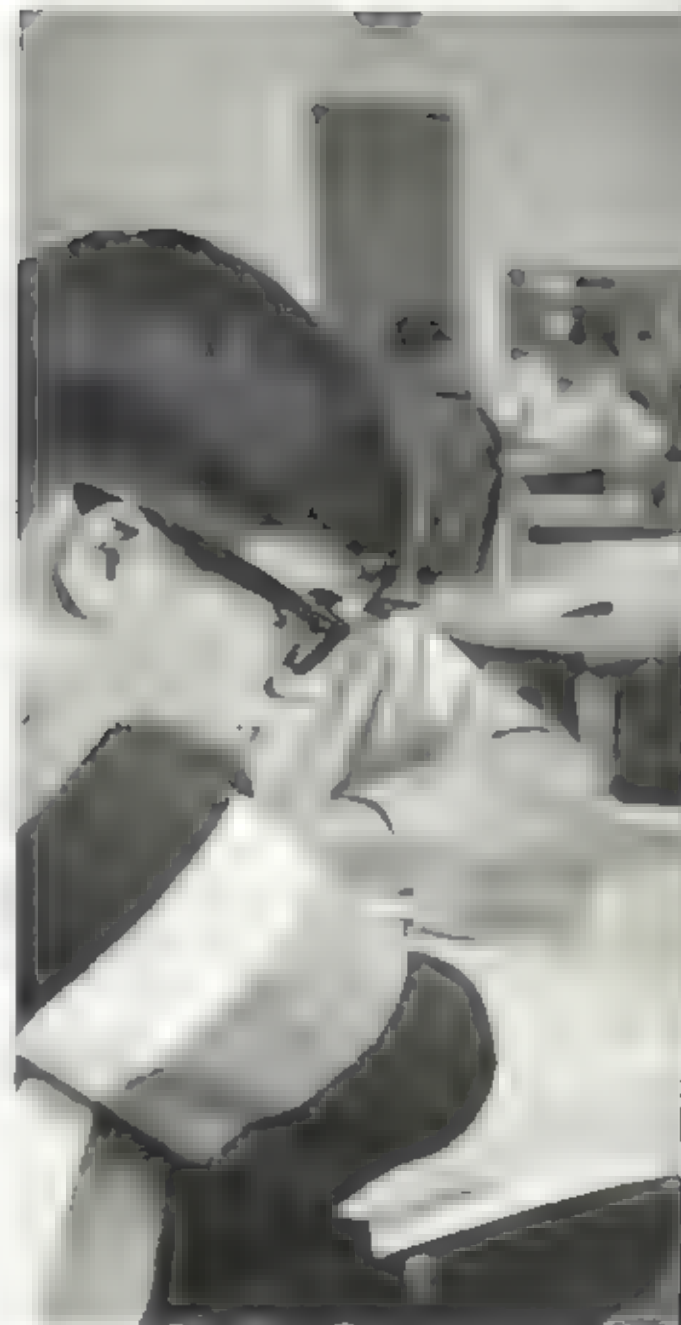

Another year ends, and yet it is only the beginning. For some it means college or the beginning of careers. Others still have time to mature and to enjoy the remaining years of high school as individuals in search of themselves and their own identities. Whatever the future, however, we will remember the 1966 school year. The little things—notes, secret meanings, private laughs; the big things—exams, and that huge assignment that looked so small when it was finally finished, and we'll remember friendships, activities, and the comic or tragic situations in which we found ourselves. Soon, though, the security of high school days fades and responsibility intrudes on our individual character and we must temper our independence with the dignity and ability needed in the ever-widening world. Conformity is the accepted thing, but it is the individual who benefits from having characteristics which are his own.

**THE SHIELD STAFF THANKS YOU ALL**

**OUR HUMBLE STAFF**

The first thing I noticed when I stepped out  
of the house was the sun.

It was a warm, golden light that  
filled the room and made me feel like I  
was in a dream.

As the sun rose, the world around me  
began to change. The air was fresh and  
the colors were vibrant. It was a beautiful  
sight that I had never seen before.

I had heard that the world was a beautiful  
place, but I had never seen it for myself.  
Now I knew that it was true. The world  
was a beautiful place, and I was lucky to  
be here.

I had heard that the world was a beautiful  
place, but I had never seen it for myself.  
Now I knew that it was true. The world  
was a beautiful place, and I was lucky to  
be here.
